**Guaranteed Lifetime Withdrawal Benefit
 Request to Exercise Income Benefit**

Contract Number	Contract Owner (Print name)	Joint Owner Name, if applicable
-----------------	-----------------------------	---------------------------------

Request to exercise this benefit should be submitted *no earlier than 30 days prior to the earliest exercise date and will be effective on the monthly anniversary following the date the request is received.*

This form is for use in the election of benefits under the Guaranteed Lifetime Withdrawal Benefit. This election determines certain benefits for this rider. See your Rider for further details.

By completing this form, I am electing to exercise my Guaranteed Lifetime Withdrawal Benefit rider. I understand this election will take effect on my next monthly anniversary or after the earliest exercise date as stated in my contract.

If your Guaranteed Lifetime Withdrawal Benefit includes a Return of Premium Death Benefit, that death benefit feature will be terminated if you withdraw an amount greater than your Death Benefit Guarantee Withdrawal Threshold Amount in any Rider Year. We will contact you if this withdrawal will terminate the Return of Premium Death Benefit, requiring you to complete an additional form acknowledging the termination before we process your withdrawal. Contract Owners may also contact us prior to requesting a withdrawal to obtain information concerning whether a requested withdrawal will impact their death benefit. Upon termination of the Return of Premium Death Benefit, there will be no reduction in the rider fees.

1. Amount of Withdrawal - Annual Benefit amount only.

Annual Benefit Amount/Benefit Threshold Amount. *(Please Note: In the first year of guaranteed withdrawals, your income payments will be calculated by dividing the annual income amount by the remaining number of modal payments in that contract year. Thus, the payment amounts between rider exercise and your next contract anniversary may be greater than in subsequent years if a monthly payment frequency is chosen.)*

Example: A contract is issued 2/1/2013 and the Guaranteed Lifetime Withdrawal Benefit rider is exercised on 3/1/2013. Assume the Annual Benefit Amount under the rider is \$5,000. The monthly payments in the first year will be $\$5,000 \div 11 = \454.55 . Starting on the next contract anniversary (2/1/2014), the monthly payments will decrease to $\$5,000 \div 12 = \416.67 ; however, the total annual amount paid remains the same.

2. Payment Method/Frequency: (Please select one (1) Method and one (1) Frequency)

Method: Direct Deposit: Please complete the attached Direct Deposit form (OL4020). Note: If the form is not returned, account cannot be validated, or any requirements are missing, a check will be mailed to your address of record. Additional direct deposit disclosures can be found on the Direct Deposit form (OL4020).

Check mailed to the address of record

Frequency: Monthly (Direct Deposit only) Quarterly Semi-Annually Annually

If no election is made, we will default to monthly.

To begin: ____/____/20__ *(Note: Must be on or after next monthly anniversary. If left blank will begin on next monthly anniversary.)*

I am aware that the Federal/State Income Tax Withholding Election form (OL4753) is required to process this request and has been completed and returned with this form.
