Groups A, B, B* and C are used to identify groups of state-specific product variations. Groups B and B* have the same crediting rates but different surrender schedules. For current state-specific crediting rates on new contracts, go to salesnet.nsre.com and look under Learn Products > Rates > Personal Income Annuity.

For Producer Use Only. Not for use with the general public as sales literature.

Please see Product Disclosures about how these percentages are applied.

Product features, rider options and availability may vary by state.
